Important Changes for 2019

Due Date of Return
The due date for filing a 2019 return is Wednesday, April 15, 2020

Tax Form Changes
As required by the Bipartisan Budget Act of 2018, Form 1040-SR, U.S. Income Tax Return for Seniors, is available for tax year 2019. It may be used by taxpayers who are age 65 or older at the end of the tax year. If Married Filing Jointly, one spouse must meet the age requirement. The form has an increased font size and includes a standard deduction chart.

Form 1040 has been updated:
• Income is now on page one, and the signature section is moved to page two.
• New line 6 is added to report capital gain or (loss). Subsequent lines are renumbered.
• The "Full-year health care coverage or exempt" box is eliminated from Form 1040.
• The number of associated schedules has been reduced from six to three.

Entry spaces on 2019 tax forms are shown for dollar amounts only (no cents).

Schedule C-EZ (Form 1040) and Form 2555-EZ have been made obsolete for tax year 2019 and future years.

Form 8965, Health Coverage Exemptions, and its instructions have also been made obsolete for 2019.

The 2020 Form W-4 has been redesigned and no longer uses the concept of withholding allowances. It replaces complicated worksheets with more straightforward questions that make accurate withholding easier for employees. Employees who have submitted Form W-4 in any year before 2020 are not required to submit a new form merely because of the redesign. Employers will continue to compute withholding based on the information from the employee’s most recently submitted Form W-4.

ITINs

ITINs not used in the last three consecutive tax years: If an ITIN was not included on a U.S. federal tax return at least once for tax years 2016, 2017, or 2018, the ITIN will expire on December 31, 2019. Affected taxpayers need to take action to renew if it will be included on a U.S. federal tax return.

ITINs with the middle digits “83,” “84,” “85,” “86,” and “87” will expire. ITINs with middle digits (the fourth and fifth positions) “83,” “84,” “85,” “86,” or “87” will remain in effect until December 31, 2019. Taxpayers with these ITINs need to take action to renew it if it will be included on a U.S. federal tax return filed in 2020.

Alimony
For any divorce or separate maintenance instrument executed after December 31, 2018, (or executed on or before December 31, 2018 and modified after that date if the modification expressly provides that the amendments made by the Tax Cuts and Jobs Act, Section 11051, apply to such modification), alimony and separate maintenance payments are no longer deductible by the payor spouse.
