Key Terms

Annuity: A series of payments under a contract from an insurance company, a trust company, or an individual. Annuity payments are made at regular intervals over a period of more than one year.

Pension: A series of definitely determinable payments made to an employee or survivor (the beneficiary of a deceased employee's pension) after the employee retires from work.

Railroad Retirement Benefits (RRBs): Benefits paid to railroad employees working in jobs that are covered by the Railroad Retirement Act. The RRA has two components. Tier 1 is the equivalent of Social Security benefits and Tier 2 is like an employer's pension plan.

Social Security Benefits: Payments made under Title II of the Social Security Act. They include old-age, survivors, and disability benefits.
