Return Reference	Explanation
Schedule L, Part V Supplemental Information	The Corporation hired the spouse of the Development Director to serve as the Finance Director of EFF. This action increased the inherent risk of fraud due to the proximity of the working relationship between the married individuals and their access to the Corporations assets. Controls were implemented to reduce the direct working relationship between the married individuals. These include 1) requiring either the Executive Director, Legal Director or General Counsel to sign off on all withdrawals from any EFF financial accounts, 2) implementing procedures that require others to review all transactions initiated by either of the married individuals, and 3) creating a separate weekly review process for each individual with the Executive Director to help identify any potential conflicts. This hiring was made with the knowledge of the Board of Directors.
