Form 990 (2022)

Form 990, Part III, Line 4a:

Saving Jewish Lives: Relief and social welfare programs provide human services and support to Jews in need in countries around the world. Services are provided to those individuals that meet criteria relevant to the local environment, such as poverty and income levels, the existence or lack of available social services within a country, and consideration for physical mobility, disabilities, and unique circumstances. Programs include: Food and nutritional support Development of social services Homecare Medical services, equipment, and medicines Emergency grants (cont. on Sched. O) Ukraine Crisis: In 2022, JDC responded to the conflict in Ukraine, which required increased emergency humanitarian support work in the country, in numerous European border countries hosting refugees, and other post-Soviet nations impacted by the crisis and global inflation. JDC activated its preexisting infrastructure in Ukraine (including its social service center network, JCCs, thousands of JDC staff, social service center professionals, homecare workers, and JDC-trained Jewish community volunteers) and partnerships with local Jewish communities in Europe and adapted them for emergency response, in which they worked on multiple fronts: In Ukraine, JDC provided ongoing care to more than 49,500 Jews the elderly, poor, displaced, and newly impoverished people including basic and emergency essentials like food, medicine, water, homecare for the homebound and sick as well as evacuation services. JDC aided 31,000 people with winter survival needs, including: wood, coal, canned and dehydrated foods, support for covering utilities' costs, heaters, warm clothes, blankets, subzero sleeping bags, and electric bedding. JDC-supported Hesed social service centers and JDC-supported community service centers have been converted into emergency warming centers with generators for those who do not have access to heat or electricity. JDC has delivered 800 tons of humanitarian aid including food, medicine, and other crucial supplies to Jews sheltering in Ukraine and to those who have fled to neighboring Moldova. JDC evacuated 13,000+ Jews fleeing towns and cities under fire, organizing caravans to make the days-long journey to Moldova and bring them to safety. Once there, they are provided food, medical care, accommodation, psychosocial support, and connections to the local Jewish community. These include special medical evacuations of frail, homebound Holocaust survivors, which have been carried out in partnership with the Claims Conference. To date, we have evacuated 167 elderly Holocaust survivors in rescue operations. These elderly are transported by ambulance delicate operations across Ukraine to Poland. At that point, most have gone on to Germany where the Claims Conference, together with local Jewish social service agencies, have arranged for their long-term care in nursing homes. Provided more than 40,000 refugees with vital necessities, like food, medicine, accommodation and, psychosocial aid as they crossed from Ukraine into Romania, Moldova, Poland, and Hungary places where JDC is often their first line of support. Together with local European Jewish communities, JDC provided support to 12,000 Jewish refugees via the local European Jewish communities, including long term integration support from housing to education, employment and trauma care, and Jewish community participation. Fielded over 67,600 calls from JDC hotlines and call centers. JDC established many of these hotlines during the pandemic, and now we are leveraging this extensive support network to deliver lifesaving aid and human connection to Ukraine's Jews. Beyond Ukraine: In addition to Ukraine, JDC continued to work across the former Soviet Union addressing the humanitarian needs of tens of thousands of vulnerable Jews and building Jewish life. For more than three decades, JDC has done this nonpolitical work across 2,000 locations in 11 countries, from Moldova to Russia, Georgia to Belarus, and nations across the Caucasus and Central Asia. Assistance was delivered through our network of 64 Hesed Welfare centers, supplemented by a corps of 7,000+ volunteers, trained and deployed through JDC-supported Volunteer Centers across the FSU. In 2022, JDC provided over 75,000 of the most vulnerable Jewish elderly in the former Soviet Union (FSU) with much-needed relief and welfare services. JDC also managed to maintain core services (i.e., homecare, food, and medicine) at approximately the same level as before due to major operational efforts on all levels, and the expansion of certain elements (mainly food and medicine). We provided over 23,400 needy elderly in the former Soviet Union with approximately 21.7 million hours of homecare. Africa & Asia: In 2022, JDC continued to improve the quality of life of hundreds of the most vulnerable elderly and poor Jews living in the Jewish communities of Morocco, Tunisia, Turkey, and India by ensuring they had food, medical care, comfort, and, in Morocco, a renovated old age home.

Form 990, Part III, Line 4b:

Innovative social services in Israel: JDC assists vulnerable Jews throughout the world. This mission is crucial in Israel, where a remarkable economic boom has not reached everyone. JDC provides aid to Israel's most vulnerable citizens, including unemployed Israelis, children at risk, elderly and Israelis with disabilities. JDC uses a unique model, which maximizes our impact. We promote innovation, running pilot programs to develop and test more promising ways to deliver social services. If a new idea succeeds, the Israeli government takes over the program and implements it throughout the nation. We use the acronym "DNA" to describe this (cont. on Sched. O) approach, since our involvement with a pilot has three stages: 1) design (i.e., coming up with a new idea); 2) nurture (i.e., testing the new program); and 3) accelerate (i.e., if it works, scaling it up and handing it off to be replicated). In 2022, JDC directly impacted more than 465,000 Israelis just through its employment, aging, and at-risk youth programming. Over 1,000,000 Israelis benefit from programs originally developed by JDC that have been taken to scale and are now operated by other organizations. In addition, JDC made data an integral part of the organization and our partners' new solutions to social challenges, advancing the use of data tools including JDC's Optimal Aging Dashboard, which the Israeli government adopted in a historic first; the Moovit App, connecting thousands of people with disabilities to accessible public transportation; and a new health dashboard that helped identify health issues among municipal residents to support early interventions and prevention measures.

Form 990, Part III, Line 4c:

Building Jewish life: JDC strengthens Jewish communities in three ways. First, we help build Jewish identity and engagement among Jews with a variety of levels of Jewish affiliation through inclusive, pluralistic programs focused on Jewish culture and traditions. Second, we nurture institutions and train leaders, so communities are efficient, transparent, representative, and (eventually) self-reliant. Third, we urge communities to care for their most vulnerable members. As a result, there are synergies between our community development and care missions: Individuals are more likely to receive care and JDC has less need to provide it if vibrant local communities take on this responsibility. Programs focus on capacity-building through efforts to support the creation and maintenance of Jewish (cont. on Sched. O) communities, to strengthen communities by building communal participation, and to improve community life. Programs include: Leadership Initiatives & Training Developing Volunteerism Camping and Retreats Informal Jewish Education (clubs and other activities) Jewish Tradition/Religion/Holiday Celebrations Jewish Community Centers Formal Jewish Education (schools) Educational Activities & Materials (publications, curricula, e-learning, web-resources, libraries, etc.) COVID conditions created both a challenge in the necessity to suspend in-person activities, as well as an opportunity to increase the use of online platforms and innovate in this space. We created a wide range of continually updated online content, and successfully led the annual cross-regional conference online via Zoom. Online tools built connections between different communities, as large online communal events brought together participants of different ages from across global communities. Furthermore, they enabled us to increase our reach to new participants who did not previously attend our activities.

Supplemental Information

Return Reference	Explanation
Part X, Line 2:	<p>FIN 48 (ASC 740) Footnote: JDC is exempt from federal income tax under IRC section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. JDC is, likewise, exempt from income tax under comparable state statutes. JDC does derive revenue from an unrelated trade or business through its partnership investments; accordingly, it had a federal and state income tax expense of \$9,558, which has been netted against investment income, for December 31, 2022. JDC follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is more-likely-than-not to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. JDC has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. JDC has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements for December 31, 2022.</p>

Internal audit functions are also used to verify grant payments. JDC/FSU headquarters are located in Jerusalem, Israel. The FSU division has its own extensive network of internal auditors in the field headed by a chief internal auditor. In addition, Alkalay & Monarov conducts audits of JDC/Israel's programs. These balances, as well as all Joint Israel activity during the calendar year, including program services and grants paid and received, are included on JDC's form 990.</p>

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part III, line 1, Mission statement, continued:	<p>to serving the needs of Jews throughout the world, particularly where their lives as Jews are threatened or made more difficult, through the following mission: Rescue whenever and wherever a Jewish community is threatened: in the early 1990s, JDC helped sustain and rescue 15,000 Ethiopian Jews. Today, JDC maintains global networks and contingency plans in the event of a crisis. Relief for Jewish communities in distress: JDC, through an infrastructure of local independent affiliates throughout the region, provides support that results in the provision of food, clothing, and medicine to hundreds of thousands of impoverished elderly Holocaust survivors and children in need in the former Soviet Union ("FSU") and throughout the world. Renewal and discovery of Jewish heritage and Jewish community life: since the fall of communist regimes in Europe, JDC helps Jewish communities rediscover their heritage and rebuild a vibrant Jewish communal life. Partnership with Israel as it addresses the social service needs of its most vulnerable communities: children at risk, struggling immigrant populations, the elderly, and the disabled. Global response innovative development (GRID): Non-sectarian aid in response to natural and manmade disasters and long-term development assistance provided to non-Jews to fulfill the Jewish tenet of tikkun olam, the moral responsibility to repair the world and alleviate suffering wherever it exists. Operating Principles - JDC adheres to the following three operating principles: 1 - JDC is non-partisan and apolitical. 2 - JDC seeks to empower local communities by creating model programs and training local leadership to manage the programs. During a project's formative stage, JDC handles the administrative responsibilities and evaluates the project for effectiveness. 3 - JDC builds coalitions with strategic partners who, ultimately, will assume responsibilities for the programs. Often referred to as "The Joint," JDC has worked in over 85 countries over the course of its history and has played a role at virtually every major juncture of Jewish history since its founding.</p>

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 12c	<p>Conflict of interest policy monitoring and enforcement: Directors are required to sign an annual conflict of interest statement.
