Facts And Circumstances Test

Current Year Facts and Circumstances During the year ended June 30, 2017, the Organization received a multi-year grant. While the Organization typically does not apply for grants spanning over multiple years, this is the 2nd consecutive year the Organization has been awarded such a grant. Under generally accepted accounting practices (GAAP), the entire amount of the grant was recognized. However, during the year, the Organization was awarded grants from several first-time donors. The Organization maintains its public charity status under the facts and circumstances test because its public support is more than 10% of its total support. The Organization remains cognizant of its need to continue to attract future support from a more diverse group of donors.
