### **Form 990, Part III, Line 4a:**

In 2021 Praying Pelican Missions PPM built up encouraged and assisted over 260 local community partners ie. local churches and non-profit ministries in accomplishing their mission. These partners spanned throughout 25 locations both in the United States 17 and Internationally 8. Via over 6500 short-term missionary volunteers approximately 65 year-round staff and over 150 seasonal staff PPM was able to assist these partners in meeting vital needs within their communities. PPM mission teams assisted in hurricane recovery and relief homeless care ministries children's ministries community outreach sports programs and more. As a part of this effort PPM facilitated mission trip logistics for over 85 unique mission groups; including arranging meals lodging and transportation for each team that served. Note: Domestic teams serving in the lower 48 states generally arranged their own transportation to ministry sites. PPM staff were also assigned to lead each group spending between six and twelve months preparing for each trip through phone and in-person consultations. Significant time and resources were also invested in preparing for these teams through networking and investing in trusted host partners and ministries in each location. In addition to facilitating mission groups PPM continues to emphasize the importance of local leadership and year-round ministry as evidenced by what we PPM are investing in. We continue to prioritize hiring local staff in the communities we serve empowering us PPM to serve and encourage our partners 365 days a year. COVID-19 and its effects necessitated continued efforts and resources that resulted in significant costs to the organization. Staffing challenges inflation costs and limitations on trip locations are examples of how the pandemic continued to affect the organization in 2021. Despite that PPM saw nearly a 400% increase in mission activity and has continued that momentum into 2022.
