Schedule D, Part X, Line 2 - FIN 48 (ASC 740) Footnote	<p>The IRS has determined that the Foundation is a tax-exempt organization as defined in Section 501(c)(3) of the Internal Revenue Code (IRC) and is exempt from federal and state income taxes. The Tax Cuts and Jobs Act (TCJA) was enacted on December 22, 2017. For tax-exempt entities, the TCJA requires organizations to pay an excise tax on compensation above certain thresholds, and record income or losses for tax determination purposes from unrelated business activities on an activity-by-activity basis, among other provisions. Proposed regulations and interim guidance, necessary for implementation, have been issued on most aspects of the TCJA. It is expected that proposed regulations will be issued as final regulations by the IRS in 2020. As of and for the years ended December 31, 2019 and 2018, the Foundation has determined the impacts of the TCJA to be immaterial to its audited financial statements. The Foundation will continue to refine its calculations in future periods, as additional regulations and guidance are issued by the IRS.</p>

SCHEDULE I, PART 1, LINE 2 - PROCEDURES FOR MONITORING USE OF GRANT FUNDS	IU Health Foundation uses funds generated from return on investments to create internal grant making dollars. A grants application process is conducted where regions can submit proposals for grant awards used in the following fiscal year. The Philanthropy council for each region reviews and approves grant awards for use. IU Health Foundation then notifies applicants and have them sign an award letter confirming project scope and total dollars awarded. As regional entities expend the funds, IU Health Foundation issues reimbursements and prepares a mid-year and full year report once the grant is completed to show grant outcomes.

Part VI, Section B, Line 12c - Conflict of Interest Policy	<p>IU Health Foundation follows IU Health's Conflict of Interest Policy. IU Health's Conflict of Interest Policy includes the following provisions: All IU Health employees, associates, colleagues and contracted personnel, including employed physicians and paid medical directors ("IU Health Representatives") are covered by and subject to its Conflict of Interest Policy. IU Health regularly and consistently monitors and enforces compliance with the policy through the following procedures: (a) On an annual basis, each IU Health Representative at the level of Manager or above, together with every other person designated by the Corporate Compliance Department ("Department"), must complete, sign and submit a Conflict of Interest Questionnaire ("Questionnaire") to the Department. Governing board members, committee members, corporate officers, medical staff and researchers must comply with the administrative requirements noted in the respective policies and procedures relative to those areas. (b) An IU Health Representative must supplement a Questionnaire in writing, if after completion of the original Questionnaire, a situation arises, or may reasonably be expected to arise, that would change any answer or information on the original Questionnaire if the situation had existed or been anticipated at the time of completion of the original Questionnaire. (c) If a fully and properly completed Questionnaire reveals facts or other information that might reasonably indicate a Conflict of Interest or violation of the policy, the IU Health Representative completing the questionnaire must secure approval by his/her supervisor, evidenced in writing. (d) The Department will review each Questionnaire and determine whether a Conflict of Interest exists and, if so, whether and how it should or may be eliminated, avoided or managed in order to comply with the spirit of the policy and with the best interests of IU Health and its patients. In making the determination, the Corporate Compliance Department may consult with the IU Health Representative's supervisor and other appropriate individuals and groups. (e) The scope of the policy is not limited to those who are required to complete Questionnaires. If an IU Health Representative is involved in a situation or relationship that would constitute a violation of the policy in the absence of disclosure and approval as described above, then the IU Health Representative must disclose the matter to his/her supervisor, secure his/her supervisor's approval in writing, and disclose the matter to the Department. Otherwise, the IU Health Representative is in violation of the policy and subject to corrective action, up to and including termination. (f) The Chief Compliance Officer, in consultation with onsite Compliance personnel, may from time to time appoint standing or ad hoc committees to assist in resolving issues that arise under provisions of the policy.</p>
