Guidelines for Grant Seekers

The Consumers Energy Foundation was established to provide financial support to primarily Michigan organizations that are classified by the Internal Revenue Service as tax exempt under section 501(c)(3) of the Internal Revenue Code.

Eligibility

The Foundation awards grants to innovative projects and activities creating measurable impact in four major fields of interest:

- **Social Welfare** - Initiatives and programs that help individuals and families struggling to meet the challenges of everyday living, including hunger, poverty, domestic violence, homelessness and disabilities.
- **Community, Civic and Cultural Development** - Programs and projects that focus on economic and cultural development at the local, regional or statewide level, including efforts that increase awareness of culture and the arts and encourage their growth, particularly for regions or populations that would otherwise be unable to participate.
- **Education** - Early childhood education initiatives and programs that primarily support schools of higher learning with special interest in curricula and capital improvements in the study of business, political science, economics, engineering and natural/physical sciences as they relate to the energy industry.
- **Environment** - Programs that emphasize sustainability, preservation, environmental education and stewardship of our state's land, water and air with an emphasis on collaborative programs that strengthen ties between businesses and communities.

The Foundation will consider requests from qualified organizations to support operating budgets and capital fund programs for the construction, refurbishment or purchase of buildings, structures, equipment or physical enhancements. Normally, the Foundation will not contribute to endowments.

### Geographic Focus

The principal focus of the Consumers Energy Foundation includes those communities in Michigan's Lower Peninsula where Consumers Energy has a business presence. Requests will be considered from organizations located elsewhere for programs or projects that significantly benefit the State of Michigan and the communities served by Consumers Energy.

### Limitations

The Foundation does not support the following:

- individuals
- individual scholarships
- individual sponsorships related to fund-raising
- organizations that do not qualify as charitable organizations as defined by the Internal Revenue Service
- organizations that practice discrimination on the basis of sex, age, height, weight, marital status, race, religion, sexual orientation, creed, color, national origin, ancestry, disability, handicap, or veteran status
- political organizations and political campaigns
- religious organizations when the contribution will be used for denominational or sectarian purposes
- labor or veterans organizations
- fraternal orders
- social clubs
- debt reduction campaigns
- sports tournaments
- talent or beauty contests
- loans for small business

The Foundation does not purchase tickets or make payments to events or celebrations to raise funds for charitable purposes, nor does it sponsor advertising supporting these efforts.

### Volunteer Investment Program

The Consumers Energy Foundation recognizes and supports employees and retirees who volunteer their time and talent to improve the quality of life in their communities. Through the Volunteer Investment Program, the Foundation awards grants to nonprofit organizations on behalf of employee and retiree volunteers.

Matching Gifts Program

The Foundation also administers a matching gift program for employees and retirees of CMS Energy Corporation and its subsidiaries and the CMS Energy board of directors. This program supports qualifying Michigan colleges and universities, community foundations, food banks and homeless shelters. Contributions are matched dollar for dollar up to \$1,000 per employee/board member and 50 percent per retiree up to \$1,000 in any calendar year.

Caring for Community

The Consumers Energy Foundation recognizes and supports groups of five or more employees and/or retirees who volunteer their time and talent to improve the quality of life in their communities. Through the Caring for Community grants, the Foundation awards grants to nonprofit organizations on behalf of groups of employee and retiree volunteers.
