Explanation: We fully intend to file our annual tax return on time, as we have done in previous years. On March 30, 2023, we created an extension request through the Form 990 online software for the 2022 return. Unfortunately, we inadvertently failed to submit the extension request. However, we did manage to file the 990T extension on time. We wrote a letter to the IRS on October 20, 2023, to explain our unintentional mistake and requested that the late fee be waived.
