Form 990 (2019)

### Form 990, Part III, Line 4a:

Property Services - Properties in Gateway Council exist to serve the needs of the Girl Scout program. These include offices where staff and volunteers meet and work, little houses where troops and small groups meet and sometimes hold overnight events, and camp properties where residential and day camping activities, environmental learning, team building, etc are held. There are three little houses, three camp/learning centers, and the corporate headquarters building located in Jacksonville, FL.

---

### **Form 990, Part III, Line 4b:**

Leadership Services - Girl Scouts Leadership Development is the worlds preeminent organization dedicated soley to the leadership development of girls. Together with committed adult volunteers, girls discover their personal best and prepare for a positive future, connect with others in an increasingly diverse world, and tale action to solve problems and improve their comunities. In the early days of girl scouting, girls learned gardening and first aid skills. They also learned about childcare, morse code, camping, and cooking. Although some of these activities are still part of girl scouting, technological advances have changed society and girls needs and interests. Today, the girl scout program includes a myriad of educational experiences, including field trips, sports skill-building clinics, community service projects, and environmental stewardship. Additionally, Girl Scouts of Gateway Council has offered various STEM activities and robotics competitions. Other issues current today are obesity prevention, anti-bullying and conflict resolution, and forming healthy relationships.

---

## **Form 990, Part III, Line 4c:**

Membership Services - Girl Scouts of Gateway Council serves 13,926 girl members by providing the girl scout leadership experience. Approximately 70% of our membership experiences this program in traditional girl scout troops led by adult volunteers. These volunteers are supervised by membership and program staff. The girls also participate in council sponsored program activities, primarily large-scale events that are more appropriately offered by the council rather than in the troop setting. The other 30% of our membership experiences the girl scout leadership program through in-school or other group settings, short-term series activities or other settings. These innovative girl scout programs are delivered by membership staff and usually funded by the council.

**Form 990, Part III - 4 Program Service Accomplishments (See the Instructions)**

**Describe the exempt purpose achievements for each of the organization's three largest program services by expenses. Section 501(c)(3) and (4) organizations and 4947(a)(1) trusts are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.**

(Code: ) (Expenses \$ 563,035 including grants of \$ 0 ) (Revenue \$ 4,453,931 )

Product Sales Program - Includes the cookie campaign and the fall product sale. Each program event helps underwrite program opportunities such as camping, program center activities, and training for adults and girls. The girl scout cookie program is the largest girl-led business in the country and generates immeasurable benefits for girls and our local communities. Through participation in the product sales programs, girls develop five key business and leadership skills that last a lifetime: goal setting, decision making, money management, people skills, and business ethics. While monies earned through the product sales program are important to Girl Scouts of Gateway Council and our troops, the intangible benefits to our girls, such as building self-confidence, learning the importance of teamwork, financial and budgeting skills, realizing the importance of personal responsibility and the value of hard work, are equally important.

(Code: ) (Expenses \$ 0 including grants of \$ 0 ) (Revenue \$ 0 )

Adult Services - Girl Scouts of Gateway Council maintains a staff that is skilled, competent, well-trained and diverse. In addition, we recruit, train, support and recognize a large corps of several thousand volunteers each year. Because the girl scout program depends so heavily on volunteer leadership, significant financial and staff resources are devoted to adult services. The safety of the girls is our primary concern, therefore, we make significant investments in the screening and training of these adult volunteers.

## Supplemental Information

Return Reference	Explanation
Pt X, Line 2	<p>The Council accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. The Council has identified its tax status as a tax-exempt entity as its only significant tax position; however, the Council has determined that such tax position does not result in an uncertainty requiring recognition. The Council is not currently under examination by any taxing jurisdiction. The Council's federal returns are generally open for examination for three years following the date filed.</p>
