1 Briefly describe the organization's mission

(See Schedule O for description)Cross International channels resources such as food, medicines and educational materials to the poor through a network of Christian churches and ministries already in place within impoverished communities In this way, Cross International can cost-effectively help the poor while empowering the evangelical outreaches of the Christian leaders it assists Cross also gives these overseas churches and ministries financial grants to access local resources, which in turn helps local economies

4d Additional Program Services - Education Cross International provided education support in four countries Ecuador, Haiti, Nicaragua and Peru Although educational opportunities are technically offered by the governments in many developing countries, the quality of those services is often substandard, and the education is not really free because the schools charge small fees which are too high for poor parents to pay Government-run schools may also require students to purchase supplies and uniforms that many families cannot afford As a result of these costs, dropout rates are enormous To reverse this trend, Cross International partners with Christian schools and education outreaches that focus on meeting the needs of poor children who would otherwise be left behind With Cross' support, these schools have provided a quality education at minimal or no cost to the students 4d Additional Program Services - Water Projects From July 2017 to June 2018, Cross International funded water projects in four countries Haiti, Malawi, Vietnam and Zambia For example, we partnered with the Kachere Development Program to install clean water wells in rural Zambian villages where children and families were suffering constant illness from drinking disease-infested water from hand-dug ditches The results of such projects are dramatic As clean water becomes more readily available, waterborne illnesses decrease and women no longer need to walk long distances to fetch small amounts of water from contaminated rivers By establishing new sources of safe water that can serve communities for years to come, Cross International's projects are saving lives 4d Additional Program Services - Housing From July 2017 to June 2018, Cross International supported housing programs in four countries Guatemala, Nicaragua, El Salvador and Vietnam These efforts involved, for example, the funding of Rainbow Network, a Christian charity in Nicaragua that builds safe, durable houses for families who would otherwise have to live in crude, dirt-floor shelters built from whatever scraps they can find 4d Additional Program Services - Shipping Cross International's shipping program uses monetary donations to transport and distribute donated goods that meet the exempt purpose of providing food, providing clothing, providing medicine, facilitating medical treatment, providing water, facilitating clean water, providing housing, facilitating housing development, facilitating self-help programs, facilitating education programs and/or addressing needs in a disaster relief and recovery situation Through this approach, a donor's contribution can be multiplied ten times or more, as it places goods valued higher than the donation amount into the hands of the poor by the ministries serving them Another benefit of shipping goods rather than sending funds is that Cross can provide crucial medicines and medical supplies that are not locally available physically or financially This support keeps hospitals and clinics stocked with the needed resources so doctors do not have to turn away patients untreated From July 2017 to June 2018, Cross shipped goods to churches and ministries in 11 countries The Dominican Republic, El Salvador, Ghana, Guatemala, Haiti, Honduras, Lesotho, Nicaragua, Nigeria, Tortola and the United States 4d Additional Program Services - Food Fighting malnutrition is a priority for Cross International In keeping with this mission, the organization gave monetary or material aid to feeding programs in 10 countries including Ghana, Guatemala, Guyana, Haiti, Malawi, Nicaragua, Peru, El Salvador, Honduras and the Dominican Republic Many food shipments were specifically earmarked for distribution to children, who are vulnerable to long-term developmental effects from chronic malnutrition One of the best ways to get food into the mouths of the hungry has been to partner with schools in developing countries This strategy has successfully decreased malnutrition rates in the targeted communities while also improving school performance among the children who are fed A large percentage of Cross International's nutritional aid was sent in the form of "Vitafood" - prepackaged, nutrient-rich meals that are easy to cook and serve and are scientifically developed to meet the needs of malnourished children 4d Additional Program Services - Mission Education Cross International's overall mission includes educating Christians in the United States about the needs of the poor overseas and highlighting a biblical basis for responding to that poverty This is important to the organization's goal of developing stronger relationships between the church in the U S and the church in the developing world Cross achieved this goal by communicating directly to American Christians through Christian radio The ministry's radio presentations were made to the public on radio stations throughout the country Along with conventional radio, Cross International also educates through satellite radio, speakers, musical performances, events, online promotions, mailed materials and other forms of communication 4d Additional Program Services - Project Development In order to ensure the proper use of donated funds and goods, Cross International regularly monitors and meets with overseas partners Field officers made regular visits to these ministries, reviewing requests for assistance, monitoring the use of previous gifts and providing professional assistance with accounting or project development issues These project development services have helped Cross partners grow more effectively, provide a better outreach to the poor and maintain greater stability in the community 4d Additional Program Services - Orphans Cross International responded to the needs of orphans and vulnerable children in 10 countries Bolivia, the Dominican Republic, Ghana, Guatemala, Haiti, Malawi, Nicaragua, Uganda, Zambia and El Salvador Efforts in Haiti have brought nutritious food, safe shelter and a quality Christian education to children who would otherwise live in squalor And in Zambia, a church-based ministry has identified at-risk children, many of whom have lost one or both parents, and provided them with the support they need to achieve a better future

Form 990 (2017)

Form 990, Part III, Line 4a:

Focus on Medical (See Schedule O for description)From July 2017 to June 2018, Cross International medical aid focused on needs in seven countries Afghanistan, Vietnam, El Salvador, Guatemala, Haiti, Nicaragua and the Dominican Republic This outreach has had a wide-ranging impact For example, Cross shipped medical goods to Guatemalan ministry partner Friends for Health and Life for distribution among free community medical clinics as well as hospitals that use these needed medicines to treat the poor In another case, Cross funded fully-stocked medicine cabinets for churches in Vietnam so that trained "lay pharmacists" could provide basic medical aid to low-income people in need of care Ministry partners such as these rely on Cross donations to keep their medicine shelves stocked, their equipment up-to-date and their professional staff employed By equipping hospitals, clinics, home healthcare and medical outreach programs with resources necessary to provide services to their communities, Cross helps thousands of families who would otherwise go without quality medical care

Form 990, Part III, Line 4b:

Focus on Hurricane Matthew Relief (See Schedule O for description)Cross International embarked on a major effort to aid victims of Hurricane Matthew, which devastated large sections of Haiti. Our disaster response team worked alongside local ministry partners to repair damaged structures and make sure families' basic needs for food and medicines were being met. With Cross' help, rubble was cleared, shelters were built, and victims received strategic food and medical supplies. Our support included cash grants as well as goods-in-kind donations such as construction materials, first aid kits, rehydration salt packs and nutrient-enriched rice meals.

Form 990, Part III, Line 4c:

Focus on General Support & Disaster Relief (See Schedule O for description)Cross International is uniquely positioned to help overseas ministries with their specific or unexpected needs Cross' targeted responses enable ministry partners to obtain a specific resource quickly and effectively, allowing them to continue their work without disruption

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part V, Line 2a	<p>The Organization acts as a common paymaster for employees of the Organization, Cross Catholic Outreach, Inc (an affiliated nonprofit organization which operates under common management with the Organization but is not "related" to the Organization for Form 990 reporting purposes), and another unrelated nonprofit ministry. The number of employees reported on this Form 990 only reflects those individuals who provided services directly to the Organization as an employee of the Organization. Likewise, this Form 990 only reflects the amount of wages paid to such employees for services provided to the Organization. As a result of this common paymaster arrangement, the number of employees and the amount of wages paid to employees as reported on this Form 990 are lower than the amounts reported on the Organization's Form W-3, Transmittal of Wage and Tax Statements, filed with the Internal Revenue Service.</p>

Return Reference	Explanation
Form 990, Part XII, Line 2c	<p>The Organization's Board of Directors, or a committee thereof, assumes responsibility for the oversight of the audit of its financial statements and the selection of an independent accountant. This process has not changed from the prior year. An audit of the Organization's financial statements is conducted annually by an independent certified public accounting firm, which has resulted in the issuance of an unqualified opinion. In addition, the Organization is a fully accredited member of the Evangelical Council for Financial Accountability (ECFA) and, as such, subscribes to ECFA's Seven Standards of Responsible Stewardship addressing (1) operation in conformity with the Organization's evangelical Christian doctrinal statement, (2) oversight by a Board of Directors, the majority of which are independent, (3) submission of complete, accurate, audited financial statements, (4) proper management and financial controls over the use of the Organization's resources, (5) public availability of the Organization's current financial statements upon written request, (6) avoidance of conflicts of interest, and (7) responsible, truthful fund-raising practices.</p>
