Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

(See Schedule O for description.) Cross International channels resources such as food, medicines and educational materials to the poor through a network of Christian churches and ministries already in place within impoverished communities. In this way, Cross International can cost-effectively help the poor while empowering the evangelical outreaches of the Christian leaders it assists. Cross also gives these overseas churches and ministries financial grants to access local resources, which in turn helps local economies.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No
If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4d Additional Program Services - Orphans Cross International responded to the needs of orphans and vulnerable children in 11 countries: Dominican Republic, Ghana, Guyana, Guatemala, Haiti, Lesotho, Malawi, Nicaragua, Uganda, Zambia and El Salvador. Efforts in Haiti have brought nutritious food, safe shelter and a quality Christian education to children who would otherwise live in squalor. And in Nicaragua, our supporting partner provides a safe home for court-appointed children that have suffered from domestic abuse, sexual abuse and abandonment. With our support, these children receive professional counsel, daily Christian devotions, shelter, education and a future. 4d Additional Program Services - Education Cross International provided education support in seven countries: Ecuador, Haiti, Guatemala, Malawi, Nicaragua, Peru and Uganda. Although educational opportunities are technically offered by the governments in many developing countries, the quality of those services is often substandard, and the education is not really free because the schools charge small fees which are too high for poor parents to pay. Government-run schools may also require students to purchase supplies and uniforms that many families cannot afford. As a result of these costs, dropout rates are enormous. To reverse this trend, Cross International partners with Christian schools and education outreaches that focus on meeting the needs of poor children who would otherwise be left behind. With Cross' support, these schools have provided a quality education at minimal or no cost to the students. 4d Additional Program Services - Water Projects From July 2018 to June 2019, Cross International funded water projects in four countries: Haiti, Malawi, Vietnam and Zambia. For example, we partnered with the Kachere Development Program to install clean water wells in rural Zambian villages where children and families were suffering constant illness from drinking disease-infested water from hand-dug ditches. The results of such projects are dramatic. As clean water becomes more readily available, waterborne illnesses decrease and women no longer need to walk long distances to fetch small amounts of water from contaminated rivers. By establishing new sources of safe water that can serve communities for years to come, Cross International's projects are saving lives. 4d Additional Program Services - Shipping Cross International's shipping program uses monetary donations to transport and distribute donated goods that meet the exempt purpose of providing food, providing clothing, providing medicine, facilitating medical treatment, providing water, facilitating clean water, providing housing, facilitating housing development, facilitating self-help programs, facilitating education programs and/or addressing needs in a disaster relief and recovery situation. Through this approach, a donor's contribution can be multiplied ten times or more, as it places goods valued higher than the donation amount into the hands of the poor by the ministries serving them. Another benefit of shipping goods rather than sending funds is that Cross can provide crucial medicines and medical supplies that are not locally available physically or financially. This support keeps hospitals and clinics stocked with the needed resources so doctors do not have to turn away patients untreated. From July 2018 to June 2019, Cross shipped goods to churches and ministries in six countries: the Dominican Republic, El Salvador, Guatemala, Haiti, Lesotho and Nicaragua. 4d Additional Program Services - General Support & Disaster Relief Cross International is uniquely positioned to help overseas ministries with their specific or unexpected needs. Cross' targeted responses enable ministry partners to obtain a specific resource quickly and effectively, allowing them to continue their work without disruption. In response to the volcano eruption, Cross assisted with providing emergency housing and supplies to 227 families in Guatemala. In another case, Cross provided immediate assistance to assess and develop a response plan to an area in Southern Malawi affected by Cyclone Idai. 4d Additional Program Services - Mission Education Cross International's overall mission includes educating Christians in the United States about the needs of the poor overseas and highlighting a biblical basis for responding to that poverty. This is important to the Organization's goal of developing stronger relationships between the church in the U.S. and the church in the developing world. Cross achieved this goal by communicating directly to American Christians through Christian radio. The ministry's radio presentations were made to the public on radio stations throughout the country. Along with conventional radio, Cross International also educates through satellite radio, speakers, musical performances, events, online promotions, mailed materials and other forms of communication. 4d Additional Program Services - Project Development In order to ensure the proper use of donated funds and goods, Cross International regularly monitors and meets with overseas partners. Field officers made regular visits to these ministries, reviewing requests for assistance, monitoring the use of previous gifts and providing professional assistance with accounting or project development issues. These project development services have helped Cross partners grow more effectively, provide a better outreach to the poor and maintain greater stability in the community.

EIN: 65-1086387

Name: Cross International Inc

Form 990 (2018)

Form 990, Part III, Line 4a:

Focus on Medical: (See Schedule O for description.) From July 2018 to June 2019, Cross International medical aid focused on needs in six countries: Malawi, El Salvador, Guatemala, Guyana, Haiti and the Dominican Republic. This outreach has had a wide-ranging impact. For example, Cross shipped medical goods to Guatemalan ministry partner Friends for Health and Life for distribution among free community medical clinics as well as hospitals that use these needed medicines to treat the poor. In another case, Cross supported the Friendly Hand Foundation in El Salvador with medical supplies and medicines, which were distributed throughout a distribution network of 20 different medical institutions that includes hospitals, rural clinics and remote medical brigades. Ministry partners such as these rely on Cross donations to keep their medicine shelves stocked, their equipment up-to-date and their professional staff employed. By equipping hospitals, clinics, home healthcare and medical outreach programs with resources necessary to provide services to their communities, Cross helps thousands of families who would otherwise go without quality medical care.

Form 990, Part III, Line 4b:

Focus on Food: (See Schedule O for description.) Fighting malnutrition and feeding children are priorities for Cross International. In keeping with this mission, the Organization gave monetary or material aid to feeding programs in nine countries including Ecuador, Ghana, Guatemala, Haiti, Malawi, Nicaragua, Peru, El Salvador, and the Dominican Republic. Many food shipments were specifically earmarked for distribution to children, who are vulnerable to long-term developmental effects from chronic malnutrition. One of the best ways to get food into the mouths of the hungry has been to partner with schools in developing countries. A large percentage of Cross International's nutritional aid was sent in the form of "Vitafood," prepackaged, nutrient-rich meals that are easy to cook and serve and are scientifically developed to meet the needs of malnourished children. Additionally, locally purchased food, including vegetables and culturally appropriate foods, are priorities with our programs.

Form 990, Part III, Line 4c:

Focus on Housing: (See Schedule O for description.) From July 2018 to June 2019, Cross International supported housing programs in five countries: Guatemala, Nicaragua, El Salvador, Malawi and Vietnam. These efforts involved, for example, the funding of Rainbow Network, a Christian charity in Nicaragua that builds safe, durable houses for families who would otherwise have to live in crude, dirt-floor shelters built from whatever scraps they can find. In Guatemala, a Christian charity built homes for families who were living in severe poverty that were identified after rescuing their children from malnutrition.
