Supplemental Information

Return Reference	Explanation
Part X : FIN48 Footnote	Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Organization has analyzed tax positions taken for filing with the Internal Revenue Service and the State of California. The Organization believes that income tax positions taken would be sustained upon examination and does not anticipate any adjustments would result in a material adverse effect on its financial position, results of operations or cash flows. Generally, tax returns remain open for federal examination for three years and four years for the State of California, from the date of filing. The Organizations policy is to classify income tax related interest and penalties, if any, in interest expense and other expenses, respectively.
