Return Reference	Explanation
Schedule C, Part II-B, Line 1 DETAILED DESCRIPTION OF THE LOBBYING ACTIVITY	Institutional lobbying activities were directed both internally and by an outside governmental relations firm and two independent contractors. The Office of Governmental Relations maintained contact with local, state, and federal officials through meetings in Waco, Austin, and Washington DC to discuss matters relating to higher education, including student financial aid, tax policy, federal research funding, poverty and hunger, state funding for development of technological infrastructure, and miscellaneous local matters. A volunteer student organization, the Baylor Ambassadors, worked closely with the Office of Governmental Relations and assisted in advocating to the state legislature and U.S. Congress on issues beneficial to Baylor students, such as financial aid programs. The University also hired an outside registered governmental relations representative in Washington DC. This representative engaged in similar activities as noted above. The University responded "Yes" on line 1D but reported zero expense as the university did send emails but was not able to apportion the insignificant costs associated with such emails. Similarly, the University responded "Yes" on line 1I but reported zero related expenses as Baylor paid membership dues to the Independent Colleges and Universities of Texas, the National Association of Independent Colleges and Universities, the American Council on Education, and the National Association of College and University Business Officers. These organizations may have engaged in lobbying activities, however, no dues were specifically allocated to lobbying costs. The total amount spent by Baylor on lobbying activities represents an insignificant portion of the University's total expenses.

Return Reference	Explanation
Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	<p>TAX STATUS &amp; ACCOUNTING FOR UNCERTAINTY IN INCOME TAXES The University is exempt from income tax under section 501(a) of the Internal Revenue Code ("IRC") of 1986, as amended, as an organization described in section 501(c)(3) of the IRC as evidenced by its most recent determination letter dated May 23, 2002. The University has been classified as an organization that is not a private foundation because it qualifies under section 509(a)(1) as an educational institution, and donations to it qualify for deduction as charitable contributions. However, income generated from activities unrelated to the University's exempt purpose is subject to tax under IRC section 511. The University files unrelated business income tax and other returns as required by government authorities. Tax positions taken relating to the University's tax-exempt status, unrelated business income activities taxable income and deductibility of expenses, and other miscellaneous tax positions taken by the University would more likely than not be sustained by examination. Accordingly, the University has not recorded an income tax liability for uncertain tax benefits. As of May 31, 2020, the University's tax years ended May 31, 2017 through 2020, generally, remain subject to examination.</p>

Return Reference	Explanation
Schedule F, Part I, Line 2 Procedures for monitoring use of grant funds	University enters into a contract with the grant recipient that describes the recipient's responsibilities for the use of the grant funds. Under the terms of the contract, recipient is usually required to submit quarterly and final written progress reports to the Principal Investigator ("PI") or project director for the grant, and funds are normally paid to the recipient on a cost reimbursable basis. When the grant recipient submits an invoice for reimbursement, the PI is responsible for reviewing the invoice to ensure the expenditures are consistent with the established budget and with the work completed to date, prior to approving the amount for payment. Grant recipients subject to the U.S. Office of Management and Budget Uniform Grant Guidance are also required to provide certification of their compliance with the financial audit requirements of those guidelines prior to receiving funds. Thereafter, the University requests an annual certification of continuing compliance and a copy of their most recent audit report. If any of the above processes indicate an area of concern, site visits may be conducted by the University to review the programmatic and/or financial records. In some situations, the University will provide an advancement of funds to grant recipient. The grant recipient then submits a monthly expense packet to the PI in which Accounting reviews for reasonableness and recognizes the month's expense activity accordingly. Additionally, the University contracts with an outside accounting firm to conduct a review of foreign expenses incurred under the grant.

Return Reference	Explanation
Schedule I, Part I, Line 2 Procedures for monitoring use of grant funds.	Grants and Other Assistance to Individuals in the United States: Scholarships and fellowships that are awarded to students are paid through the students' accounts, the Payroll Office, and/or Accounts Payable Office and are administered based upon merit and/or need. Baylor's Financial Aid Office reviews the students' cumulative grade point averages every year and awards/reviews academic scholarships and fellowships if the required grade point average level is satisfied. Scholarships for financial need are awarded annually based upon the need criterion/level established or maintained per the completed Application for Federal Student Aid. The scholarship awards that are included in the cost of attendance are reviewed so as not to exceed the cost of a student to attend the University. Scholarships and/or fellowships are also awarded to cover student emergency situations. Students must complete an application describing the emergency situation. The University reviews each application to determine if such scholarships/fellowships will be awarded. Travel Grants - Travel grants are awarded to students to offset travel expenses used for educational purposes such as attending a conference, presenting a paper, etc. The awarding of travel grants is based upon an application process and meeting a set of criteria that establish the benefits to the students' educational endeavors. Research Grants - The Office of the Vice Provost for Research (OVPR) publishes guidelines for each of the internal grant programs that provide the general conditions of the award, as well as guidance on the expenses that may be charged to the award. Each grant is set up as a separate project in the University's financial system based on the award amount and budget categories approved by the OVPR. The financial system provides real time access to a Budget Summary Report for the project that provides a comparison of budgeted expenditures to cumulative actual expenditures by expenditure category. This report can be accessed by the Project Manager and others with administrative and financial oversight responsibilities. Expenditure transactions under internal grant programs are subject to internal controls for approval and processing similar to other University expenditure transactions. The system does not allow expenditures to be processed in excess of or outside of the approved budget categories. Student Awards - These awards are provided to students for winning educational competitions. The purpose of the competitions is to further the education of students. Grants and Other Assistance to Governments and Organizations in the United States - The University enters into a contract with the grant recipient that describes the recipient's responsibilities for the use of the grant funds. Under the terms of the contract, recipients are required to submit quarterly and final written progress reports to the principal investigator ("PI") or project director for the grant, and funds are paid to the recipient on a cost reimbursable basis. When the grant recipient submits an invoice for reimbursement, the PI reviews the invoice to ensure the expenditures are consistent with the established budget and with the work completed to date, prior to approving the amount for payment. Grant recipients subject to the U.S. Office of Management and Budget Circular A-133 Audits of States, Local Governments, and Non-Profit Organizations are also required to provide certification of their compliance with the financial audit requirements of those guidelines prior to receiving funds. Thereafter, the University requires an annual certification of continuing compliance and a copy of their most recent audit report. If any of the above processes indicate an area of concern, site visits may be conducted by the University to review the programmatic and/or financial records. Charitable organizations that receive contributions from the University are carefully selected and must be approved through the Chief of Staff to the President & Vice President for Board Relations. Student organizations that are provided University grants must complete an application describing the need for the grant. University contributions must support the University's interest and be consistent with the University's core values.

Return Reference	Explanation
Schedule J, Part I, Line 7 Bonus and Incentive Compensation	Incentive payments to officers and highly compensated employees include discretionary payments earned through completion of conditions identified in employment contracts.
Schedule J, Part I, Line 1a First-class or charter travel	Two officers traveled via charter flights to engage in various business activities such as donor cultivation activities, media events and dinners. Charter flights were used by three highly compensated employees to engage in various business activities such as student athletic recruiting, and attend media events. First-class trips are disallowed by University policy unless approved as an exception to policy. First-class travel was approved as an exception to policy for the following travel activities - one highly compensated employee traveled first class to attend Big 12 meetings and a dinner and to meet with the coaching staff at another university.
Schedule J, Part I, Line 1a Travel for companions	Occasionally, family members or guests of listed persons were provided travel. The University policy and practice is to review travel activities that occur throughout the year and report the value of such travel as taxable compensation to listed persons if no bona fide business purpose existed or the fifty percent seating capacity rule is inapplicable for the companion travel. Six highly compensated employees and one officer were provided family or guest travel.
Schedule J, Part I, Line 1a Tax indemnification and gross-up payments	Men's and Women's head basketball coaches, head football coach and Vice President & Director of Athletics had personal travel stipends grossed-up to provide contractual amounts owed by the University. Vice President & Director of Athletics and Chief Business Officer received gross-up payments covering the additional taxes owed on supplemental payments for child's tuition costs. Head Football Coach was provided a suite and the value of the suite was grossed-up to cover the taxes owed for personal usage. All above described payments were reported as taxable income, including the tax on the gross-up payments. Additionally, the University may occasionally gross-up other payments, but all such payments are included in the taxable income of the applicable employee.
Schedule J, Part I, Line 1a Housing allowance or residence for personal use	Former Interim Executive Vice President & Provost received a minister's housing allowance which was associated with the provision of ministerial services related to duties and thus appropriately not reported as taxable. Baylor, in some instances, provides temporary housing to employees during their transition to beginning work at the University. This temporary housing is reported as taxable income. Baylor provided President with a house located on campus as a condition of employment and for the convenience of the University. The provision of the house was not included as taxable compensation.
Schedule J, Part I, Line 1a Health or social club dues or initiation fees	Three officers and four highly compensated employees were provided country or social club memberships in one or more local clubs. All club memberships were reported as taxable compensation.
Schedule J, Part I, Line 1a Personal services	Baylor provided housekeeping services for the University house where the President resides. The portion of the housekeeping expenses used for personal purposes was included as taxable income.
Schedule J, Part I, Line 1b Written policy regarding payment or reimbursement of expenses	The University has a written policy for the following benefits: first-class travel and charter travel, and travel for companions. The Baylor aircraft policy is only applicable to Baylor-provided charter travel. Other charter travel used by the Athletic Department for team travel is based upon the need of the sport. Club memberships are reported as taxable income. Tax indemnification and gross-up payments are included in contractual arrangements and/or require Board of Regents approval. The President's housing was provided as a condition of employment per the terms of contract, and the house was provided for the convenience of the University. Housekeeping services are handled as noted above.
Schedule J, Part I, Line 4b Supplemental nonqualified retirement plan	Baylor University President participated in a nonqualified deferred compensation arrangement under Internal Revenue Code section 457(f) and received an accrued benefit of \$100,000 during 2019. An additional amount shall be accrued next year. The accrued deferred compensation amounts shall vest and be payable on the third anniversary of the date such funds were credited to the plan, or if earlier, upon termination without cause, death or disability. President will not have right to the funds if she voluntarily resigns or is terminated for cause. Baylor University Vice President for Advancement participated in a nonqualified deferred compensation arrangement ("deferred plan") under Internal Revenue Code section 457(f) during 2019. If a target fundraising goal is met for a corresponding fiscal year, then a set percentage of annual base salary is contributed to the deferred plan. Fiscal year contributions are to be credited to the Vice President for Advancement's account over the next three fiscal years. These contributions will vest following the last fiscal year as long as Vice President for Advancement remains continuously employed in this position through this vesting date unless upon termination without cause, death or disability. No contribution was accrued during 2019. The Vice President & Director of Athletics is a participant in a split-dollar insurance plan. The University makes premium loan payments on the policies over the next four years. A premium loan in the amount of \$240,000 was paid in calendar year 2019. The Vice President & Director of Athletics is the owner of the policies utilized in the arrangement, and the University shall receive repayment of all premium loans, including interest, in accordance with the plan documents. The premiums are treated for tax purposes as nonrecourse split-dollar loans under 26 CFR 1.7872-15. Payment of the amount due the University (lender) under the agreement is, or could be considered nonrecourse to the borrower. Notwithstanding that fact, the lender and borrower represent that a reasonable person would expect that all payments due the lender under the agreement will be made.
Schedule J, Part I, Line 7 Non-fixed payments	Vice President & Chief Investment Officer received a bonus calculated using a portion of base pay and applying a percentage based upon qualitative assessment of performance plus a percentage per the bench-marked performance of Baylor's pooled investment, the Baylor University Fund. Highly compensated coaches may receive championship rings and/or gift cards, which are reported as taxable income.

The Chief Audit Officer presents the results of the review to the Board of Regents Audit Committee.
