Return Reference	Explanation
Part I, Line 1a	Tax indemnification and gross up payments - The organization provides tax indemnification where the BSW Holdings' CEO, COO or CFO determines there is justification to reimburse an individual for the tax impact on certain taxable, non-cash benefits provided to them. All tax indemnification payments provided are treated as taxable compensation. Four of the persons listed in the Form 990, Part VII, Section A, received this benefit during the tax year.
Part I, Line 3	Process for determining compensation: The organization, a controlled affiliate of BSW Holdings, recognizes that those chosen to lead the organization are vital to its ongoing success and growth. Thus, it must attract, retain and engage the highest quality officers and key employees to lead the organization and help the organization maintain its national reputation for achieving high targets for medical quality, patient safety, and patient satisfaction. A significant portion of the organization's officers and key employees' total compensation is based on significant performance achievements. This strategy places a greater emphasis on the importance of the organization achieving targeted improvements in the areas of people, quality, patient satisfaction and financial stewardship, annually. Total executive compensation is part of an integrated talent management strategy developed by the BSW Holdings Board of Trustees and its Compensation Committee to attract, motivate, and retain the best leadership resources for the organization. Executive compensation is determined pursuant to guidelines outlined in the intermediate sanction rules under IRC Section 4958 including taking steps to meet the rebuttable presumption standard of reasonableness under Treasury Regulation 53.4958-6, as summarized below. When making compensation decisions, the organization compares itself to similarly-sized, and structured businesses including other integrated health care service systems and other similarly-sized organizations, both locally and nationally. Each year the BSW Holdings Board of Trustees and the Compensation Committee, on behalf of the organization through reserved powers held by BSW Holdings, works directly with an independent compensation expert(s) to identify reasonable and competitive market rates as well as provide an annual review of the total compensation of the organization's top management officials and other officers and key employees to ensure total compensation is within a fair market range. The annual review included management reviewing all officers and key employees listed on the Form 990 during the current tax year. Any individual whose direct compensation exceeded the projected compensation from prior year, any new individual whose position has not been reviewed by the Compensation Committee during the prior 2 years, or any individual whose responsibilities or scope of operations expanded during the current year were reviewed by the Compensation Committee during the current tax year. The Compensation Committee is made up of members of the BSW Holdings Board of Trustees, who are independent, community volunteers. Guided by the information provided by the independent compensation expert(s), the Compensation Committee approves the annual process and methodology for setting fair market salary ranges, earned incentives, and/or benefit offerings for the organization's President, other officers and/or key employees to be comparable to similar organizations for similar services and/or positions. Furthermore, the Compensation Committee is charged with the responsibility of reviewing annually the major elements of the executive compensation program to assure designs remain consistent with the business needs, market practices, and compensation philosophy. As part of the decision making process, the Compensation Committee will often meet in executive session to discuss and review recommendations made by the independent compensation expert(s). No officer or key employee whose compensation is being reviewed is present during these discussions. All decisions are properly documented in the minutes of the meetings.
Part I, Line 4b	In order to recruit and retain key talent, BSW Holdings and certain tax exempt affiliates (BSWH) offers a supplemental non-qualified retirement plan to eligible employees. The plan provides an annual benefit (based on a percentage of compensation) to the employee that is paid to the employee on a future date upon vesting in the plan. The following individual(s) participated in and/or received payments (noted in parenthesis) from BSWH's supplemental non-qualified retirement plan during the tax year: Brian Bull, M.D. (\$14,780), Carlos Guerra, M.D. (\$22,492), Celeste Hecox, M.D. (\$8,869), David S. Myers, M.D. (\$20,641), Elizabeth B. Turnage, M.D. (\$23,051), Glenn A. Robinson, James Morrison, M.D., James T. Graham, M.D. (\$22,305), John McClanahan, M.D., John W. Speckmiar, M.D. (\$16,730), Kyle Hulme, M.D. (\$47,100), Leighton Carl, M.D. (\$22,257), Rebeckah Burns, M.D. (\$13,430), Sherry Spacek-Llanas, M.D., Stephen P. Raley, M.D. (\$19,879), William McCuniff, M.D. (\$16,295) and William Hinds, M.D. (\$13,445).
Part I, Line 5	Sch J Line 5a: did the organization pay or accrue any compensation contingent on the revenues of: The organization? The organization employs physicians practicing medicine in office-based (e.g., primary care) and hospital-based (e.g. hospitalists, intensivists, trauma-surgery and other surgical specialties) practice settings. As such, the organization is a key component in fulfilling the overall charitable mission of its sole corporate member, Hillcrest Baptist Medical Center (HBMC), a Texas nonprofit corporation exempt under IRC Section 501(c)(3). No physician employed by the organization is paid compensation contingent upon the organization's overall revenues or net earnings. However, the organization does compensate physicians based, in whole or in part, on a personal productivity formula specific to the physician's practice site to which physicians compensated under such models have been assigned and approved by HBMC based on location and/or specialty. Such models are designed to encourage physicians within a practice site to work productively, efficiently and cost effectively, while also encouraging high quality patient care. Certain of the physicians listed in Form 990, Part VII, Section A, line 1a were compensated under such formula, which renders their compensation contingent upon practice site revenues and certain expenses. Under these models, each practice site includes revenues collected for services provided at the practice site less deductions for practice site direct overhead and certain additional charges imposed by the organization to cover indirect overhead cost. A portion of a physician's compensation may also be paid on the basis of a fixed hourly or annual amount for non-clinical services. The total compensation of such physicians is evaluated based on independent, third-party data to verify consistency with fair market value.
Part I, Line 7	The organization has adopted and implemented BSW Holdings', the organization's ultimate parent, Annual Incentive Program to provide a market competitive total cash compensation incentive program that is designed to attract and retain key leaders and establish greater individual accountability and alignment to business performance. Payout targets are based upon a percentage of base pay and are developed by independent third party expert(s) using comparable market competitive data within the bounds of reasonableness and that are reviewed and approved by BSW Holdings' governing body. Payout levels are based upon a combination of system, entity, and individual performance using various metrics related to quality, patient satisfaction, employee retention, and financial stewardship. BSW Holdings' governing body may approve modifications to annual incentive awards provided under the program consistent with market comparability data.
Form 990, Schedule J, Part III	Supplemental Information: Governing Body Compensation The members of the governing body serve in a limited role in their capacity as a board member and may receive small amounts of compensation from the organization for these duties as a member of the governing body. However, the members do receive a majority of their compensation from the organization in their capacity as employed physicians.
