Part X : FIN48 Footnote	<p>The School is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (Code) and has not been classified as a private foundation as defined in the Code. Income generated from activities unrelated to the Schools exempt purposes is subject to tax under Code Section 511. The School had no unrelated business income for the year ended August 31, 2023. Accordingly, no provision has been made for federal income tax in the accompanying financial statements. GAAP requires the evaluation of tax positions taken in the course of preparing the Schools tax returns and recognition of a tax liability (or asset) if the School has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the School, and has concluded that as of August 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.</p>
