Form 990, Part III, Line 4a:

Event and org management program: we provide a legal and financial platform, as well as various support and training services, for student-run, not-for-profit events and organizations. In 2019, we facilitated over 60 events managed by high school and college students. Our long term goal is to provide a simple platform for students to launch not-for-profit events without facing significant start-up costs.

Form 990, Part III, Line 4b:

Startups platform: we provide educational/advisory support to student-run startups. We provide detailed information on the processes involved, and connect student founders to mentors that can support them. We also partner with software companies to provide free or discounted services to student startups. We continued the "beta" of the program in 2019 and supported 152 student founders. This program incurs zero costs for us so far and brings in zero revenue; our goal is to scale the program while keeping costs minimal so that student founders have an accessible hub of information and support when they launch startups.

TY 2019 Reasonable Cause Explanation

Name: YOUTH LEADERSHIP INCUBATOR INC

Software Version: v1.00

Explanation: Our organization was hit hard this year by the COVID-19 crisis. Most of our program services involve holding in-person events for community members, which were all completely stopped mid-March. As a result, the remainder of this year has been a scramble to maintain our programs and grants, with most of them moving online. We are a fully volunteer-driven organization with no paid staff and nearly zero administrative/management and fundraising costs, despite our scale growing massively each year. As such, our team was extremely under pressure to maintain our operations and continue supporting the students and communities we work with, leading to a forced delay in finalizing of our 990 (in order to ensure that the filing is properly reviewed internally and meets our internal standards for quality before being submitted).
