Explanation: The organization had retained a professional tax preparer prior to the filing deadline. Unfortunately, the paid preparer (PTIN P02281587) prepared an erroneous return and was unable to correct the filing in a timely fashion. We thus retainer a new accounting firm to correct and file the return. Believing we had exercised ordinary business care and prudence in determining and attempting to comply with our reporting requirements, even though we ultimately failed to comply on time with the annual information return requirements under section 6033, we respectfully request abatement of any potential penalties.
